

MEMBER UNIT WEBSITE **GUIDELINES /** **RECOMMENDATIONS**

As at 30 September 2020

As per the requirements of the Ministry of Youth Affairs and Sports, Government of India, it is mandatory for all National Sports Federations (NSFs) to submit the Annual Calendar for Training and Competition (ACTC) every year. As part of the ACTC documents the NSFs are required to submit along with other particulars, details of the conduct of State level Championships by the NSF's respective State Units.

Further, as a part of the Good Governance in sports, every State Member unit is expected to have a website wherein they should disseminate / update the information on regular basis including the details of their State level Championships.

To assist Hockey India Member Units to be aware of the details that can be hosted on their website, the below are the minimum recommended contents which should be uploaded / available on the Member Unit Website:

1. Details of the Executive Board and Office Bearers.
2. Registration Certificate
3. Audited Accounts for the last 4 years.
4. Documents related to last elections / Form 15
5. Details of previous events and future events
6. Details of proposed Coaching & training and holding of selection Trials
7. Committee details as per your Constitution
8. Details of registered players and Support Staff
9. Details of the registered district units.
10. Web-link of the Hockey India Website.
11. Member Unit Constitution
12. Web-link for Coach and Technical Officials Registration
13. Hyperlinks of the official social media handle of the respective member unit.
14. Hyperlink to FIH website for the Rules and Regulations of Hockey

A Detailed explanation of the above-mentioned points is listed below for further clarification:

- 1. Details of the Executive Board and Office Bearers:** - The complete details of all the Executive Board including the President, Secretary and Treasurer need to be uploaded along with the other members of Executive Board of the Member Unit.
